

Maggie's
Magic T-Shirt

The *Magic* Begins

Maggie loved flowers,

especially **pink** ones,

and her brand new
t-shirt had **lots** of them.

But what Maggie
didn't know, was that
her new t-shirt was.....

Maggie's new t-shirt was
a gift from her Grandma.

'It's **Sooo** soft'
she squealed, as she gently stroked
and hugged the cosy cotton top.

'I **knew** you'd like it',
beamed Maggie's grandma.

'I found it in this funny little shop
down by the railway arches,
when I got lost the other day'.
